Re: Request for Additional Information (October Quarterly Report, 8/05 - 9/30/2010)

This is in response to the Federal Election Commission's analysis of the Committee to Re-Elect Trent Franks to Congress October 2010 Disclosure Report and your request for additional information concerning that report.

CONTRIBUTIONS

Your analysis of the report indicates that one or more contributions may exceed the limits set forth in the Act. The Committee is in the process of reviewing those donations and it appears that the Election designation may in some cases have been incorrectly reported and if so, the report will be amended to reflect those changes. Additionally, contributions that are in excess of the limits will be refunded, and if improperly attributed will be corrected in the amended report.

I trust that this response and the soon to be filed amended reports will satisfy the Commission's request. Please contact me should you require any additional information.
